Asphodel Press., United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Power dynamic relationships - meaning deliberately negotiated unequal relationships - are often misunderstood by mental health professionals as inevitably abusive. This anthology of essays by kink-aware therapists explodes that myth, and gives solid, practical advice for effectively counseling couples in these alternative relationships. Edited by a psychiatrist and a professional educator on power dynamic relationships, this book should be a cultural-competency reference for any mental health professional, because you never know who might be sitting on your couch someday.
